They think they know who I am  
All they know is I love to kill  
Face down, dead on the ground  
Find me before another is found

I come alive in the darkness  
Left murdered and nameless  
Dead unburied and rotten  
Half eaten by insects

She was so beautiful  
I had to kill her

Tied her up  
And taped her mouth shut  
Couldn't scream  
Raped violently  
Rope tight, around her throat  
Her body twitches  
As she chokes

Strangulation caused her death  
Just like all the others  
Raped before and after death  
Stripped, naked, tortured

They're all dead, they're all dead  
They're all dead by strangulation

I come alive in the darkness  
Left murdered and nameless  
Dead unburied and rotten  
Half eaten by insects

It felt so good to kill  
Why

I took their lives away  
Seven dead, lying rotten  
Unburied victims  
Their naked bodies putrefy

Strangulation caused her death  
Just like all the others  
Raped before and after death  
Stripped, naked, tortured

They're all dead, they're all dead  
They're all dead by strangulation

I come alive in the darkness  
Left murdered and nameless  
Dead unburied and rotten  
Half eaten by insects

They think they know who I am  
All they know is I love to kill  
Face down, dead on the ground  
Find me before another is found
