Fragmentizing
Disunite the backbone from the skeleton
Chop the bodies
Specialized in customized dismemberment
Hatchet wielding
Never ending thought of splintered vertebrae

Violent insurgency
Squalid dependency, ivory interspersions, solace
Riving the arteries
Splenetic complacency, somber

Irascible, aggressive ripping head to crotch
Life relieving
Propensity, consuming of the spinal cord
Dead not living
Animus from perpetual authority
Contumacious, bone displacement surgery

Stagnant, pools of entrails
Permeates wretched odors, depraved
Corpses cloven spineless
Ultimate pancreas ablate

Violent insurgency
Pernicious way of life
Bone displacement surgery
Division with an Axe

Fragmentizing
Chop the bodies
Hatchet wielding
The spine splitter

Stagnant, pools of entrails
Permeates wretched odors, depraved
Corpses cloven spineless
Ultimate pancreas ablate

Fragmentizing
Chop the bodies
Hatchet wielding

The spine splitting will never end
