Enter the graveyard, searching for a female corpse
Dead for thirteen years the perfect whore to fill my
need

Dig her body up, crack open gruesome tomb
Ceremonial, covert necrophilia

Why must I masturbate at the sight of maggots
That are crawling on her face?
Drawn to the coffin's stench that holds an impure
Wench, inhumanity, half skeletal remains

Insatiable desire to inseminate
Swarm a parasitic plague enables me to emulate
A state of constant disarray

Worm infested, worm infested, worm infested
Worm infested, worm infested, worm infested

Chew the bitches fuckin' head
Eat her fetid skin and relish in the violation
Tear tissue from the bone as these actions go
Unknown, vicious cruelty

Vile distal cruelty
Snapping bones in two, defiling cavities continues
Fierce repulsive fantasies enables me to emulate
A state of constant disarray

Worm infested, worm infested, worm infested
I must fuck her worm infested, worm infested cunt

Excoriate, disseminate, demoralize, to sodomize
Excoriate, disseminate, demoralize, to sodomize

Despicable degradation, excoriate her
Inimical depredation, disseminate her
Ignominious domination, demoralize her
Presumptuous defecation to sodomize her

Why must I masturbate at the sight of maggots
That are crawling on her face?
Drawn to the coffin's stench that holds an impure

Wench, inhumanity, half skeletal remains

Insatiable desire to inseminate
Swarm a parasitic plague enables me to emulate
A state of constant disarray

Dead for thirteen years
The perfect whore to fill my need

Despicable degradation, excoriate her
Inimical depredation, disseminate her
Ignominious domination, demoralize her
Presumptuous defecation to sodomize her

Worm infested, worm infested, worm infested
I must fuck her worm infested, worm infested cunt

Worm infested cunt
