I was the one who taught her to kiss
The way that she kisses you now
And you know the way, she touches your cheek
Well, I taught her how

I was the one who taught her to cry
When she wants you under her spell
The sight of her tear drives you out of your mind
I taught her so well

And then one day, I had my love
As perfect as could be
She lived, she loved, she laughed, she cried
And it was all for me

Oh, I'll never know who taught her to lie
And now that it's over and done
Who learned the lesson when she broke my heart
I was the one

And then one day, I had my love
As perfect as could be
She lived, she loved, she laughed, she cried
And it was all for me

Oh, I'll never know who taught her to lie
And now that it's over and done
Who learned the lesson when she broke my heart
I was the one
