"No Lonesome Tune"

Well, I ain't gonna sing no lonesome tune
Oh, babe, I'm comin' soon
I cannot believe I stayed so long away
But a man must look around
An' you're the sweetest thing I've found
Oh, your lost high roller's rollin' home today

Well, my daddy said to me
"Son, it's hard as you will see
To find someone upon whom to rely"
An' in the kitchen Mama sneezed
An' he grinned big as you please
Said, "Bless you" and a tear come to his eye

Well, I did decide that very day
That I would like to live that way
An' now I know I've just been wastin' time
It's with you that I should be
An' if you feel the same about me
Well, I'm headed home along the straightest line

Well, I ain't gonna sing no lonesome tune
Oh, baby, I'm comin' soon
I cannot believe I stayed so long away
But a man must look around
An' you're the sweetest thing I've found
Oh, your lost high roller's rollin' home today
Yeah, your lost high roller's rollin' home to stay
