I smoke more cigarettes than i ever have
And in between bong hits i think i'll smoke another pack

I don't care if it's killing me
I don't care if it kills me
I don't care if it's killing me
I don't care

I don't pray

My girlfriend she is beautiful
And makes it twice as hard
If she was a car
I think she'd be a jaguar

But i don't care if she's killing me
I don't care if she kills me
I don't care if she's killing me
I don't care

I get laid

Almost everyday
Yah right

And music is big business
And my hair has become art
Fit in
I hope i never start

I don't care if it's killing me
I don't care if it kills me
I don't care if it's killing me
I don't care

Not here to stay

Not here to stay
Today or anyday
I don't fit in
Don't fit in

Don't fit in
Don't fit in
