I never wanted to be you
I never wanted to trust you
I never hide the way you make me look at myself
I never wanted to be
I never wanted to be
I never wanted to be
How i'm turning out
And i'm turning out
How i'm turning out
Yah i'm turning out
How i'm turning out

I never wanted to know you
I only wanted to fuck you
I never wanted to know the meaning of without
I dought my dought
Now i'll turn it out
Yah i'll turn it out
Yah i'll turn it out
Yah i'll turn it out
Yah i'll turn it out

When things are great
Things are great
When things are great
You find things to hate

When things are great
Things are great
When things are great
And sometimes i feel

Like one big mistake
One big mistake
I'm one big mistake
One big mistake
I'm one big mistake
One big mistake
I'm one big mistake
One big mistake
I'm one big mistake

I'm one big
