This is vacuum because people suck, affectionalty

Can i split open yor head for one day  
Two eyes, ears that you take for granted  
You'll go all the same  
Worry about your self  
Deny what they're saying  
It's true it's you  
It's all certainly you  
My hands are willing  
They may be empty  
You'll go on the same and worry about yourself  
Deny what their saying it's true  
Please split open your head for one minute  
Two eyes two ears you all take for granted  
It u it u it all certainly u  
My hands know it's true

No one there to catch when i fall  
Cause no one likes me no one likes me  
I wont get into heaven at all  
Cause no one likes me no one likes me  
Man i wish i was cool  
Hope im starting to be could you tell me  
Guess i don't know where to clear out the basement  
Man i wish i was cool  
Hope im starting to be im watching telivision  
Guess i don't know where to clear out the basement  
Cant grow a gotti have no spirit for patience  
Guess i don't know where to clear out the basement  
No one there to catch when i fall  
Cause no one likes me no one likes me  
I wont get into heaven at all  
There's no one like me, there's no one like me  
There's no one like me, there's no one like you  
Vacuum, vacuum, vacuum, vacuum  
Vacuum, vacuum, vacuum, vacuum  
People suck, people suck  
People suck, people suck  
Vacuum, vacuum  
Fuck you, fuck you

People suck, people suck  
People suck, people suck  
Fuck you  
Vacuum, vacuum  
What's new  
People suck, people suck  
People suck, people suck  
Fuck you  
Vacuum  
What's new  
Fuck you
