Waiting on an angel
One to carry me home
Hope you come to see me soon
'cause i don't want to go alone
I don't want to go alone

Now angel come my way
Angel hear my plea
Take my hand and lift me up
So that i can fly with thee
So that i can fly with thee

And i'm waiting on an angel
And i know it won't be long
To find myself a resting place
In my angel's arms
In my angel's arms

So speak kind to a stranger
'cause you'll never know
Just might be an angel come
Come knockin' at your door
Knockin' at your door

And i'm waiting on an angel
Know it won't be long
Find myself a resting place
In my angel's arms
Ohh in my angel's arms

And waiting on an angel
One to carry me home
Hope you come to see me soon
Cause i don't want to go alone
I don't want to go alone
Don't want to go
I don't want to go alone
