here come old flat top, he come grooving up slowly
he got joo joo eyeball, he one holy roller
he got hair down to his knee
got to be a joker he just do what he please

he wear no shoe shine, he got toe jam football
he got monkey finger, he shoot coca cola
he say i know you, you know me
one thing i can tell you is you got to be free

come together right now over me

he bag production, he got walrus gumboot
he got o-no sideboard, he one spinal cracker
he got feet down below his knee
hold you in his armchair you can feel his disease

come together, right now, over me

right
come

he roller coaster, he got early warning
he got muddy water, he one mojo filter
he say one and one and one is three
got to be goodlooking, 'cause he's so hard to see

come together, right now, over me
come together
come together
come together
