Wee

Been fourteen years since the day
I started my descent into myself
I get wasted
Know, I'm better than this
Know, I'm bitter

Been walking blind
Still, I hold my head up high
Head talking backwards
Just I know, I'm better than this
Know, I better

Pull myself up from the hole I dig
Pull myself up from the hole I dig
Pull myself up from the hole I dig
Pull myself up from the hole I dig

Pull myself up from the hole I dig
Pull myself up from the hole I dig
Pull myself up from the hole I dig
Pull myself up from this

Been fourteen years since the day
I started my descent into myself
I get wasted
Know, I'm better than this
Know, I'm bitter

Been walking blind
Still, I hold my head up high
Head talking backwards
Just I know, I'm better than this
Know, I better

Pull myself up from the hole I dig
Pull myself up from the hole I dig
Pull myself up from the hole I dig
Pull myself up from the hole I dig

Pull myself up from the hole I dig

Pull myself up from the hole I dig
Pull myself up from the hole I dig
Pull myself up from this
