Who's the captain of the ship i think it's sinking  
I know i know i don't know what i know what was i  
thinking

Paper dolls  
Here for you folding  
Schools like malls  
That are all closing  
Afraid to dance  
Don't talk to strangers  
Avoid romance  
Read what the sign says

Parental guidance is advised  
Another one of us survives

Blah, blah, blah, blah  
Feels so good to be alive  
Blah, blah, blah, blah  
My life was easier at five  
Blah, blah, blah, blah  
Feels so good to be alive  
Blah, blah, blah, blah  
As for me i will get by  
What was i thinking

I can't make up my own mind  
Can't even make my bed  
Yeah i should clean up my act  
But first i'll clean up my head  
I'm lacking confidence  
I don't apply myself  
Be sure check up on me  
To check yourself

'cause we're paper dolls  
Here for you folding  
Schools like malls  
That are all closing  
Afraid to dance  
Don't talk to strangers  
Avoid romance

Read what the sign says

Parental guidance is surprised  
Another one of us survives

Blah, blah, blah, blah  
Feels so good to be alive  
Blah, blah, blah, blah  
My life was easier at five  
Blah, blah, blah, blah  
Feels so good to be alive  
Blah, blah, blah, blah  
As for me i will get by

As bad as it is  
As bad as it is  
We'll get thru  
We'll get thru  
We'll get thru

Cause we're paper dolls  
Here for you folding  
Schools like malls  
That are all closing  
Afraid to dance  
Don't talk to strangers  
Avoid romance  
Read what the sign says

Hey maryjane  
In certain places  
Blows the pain  
Right off our faces  
Don't talk to dirt  
Or catch a bullet  
For once was right  
Just take that bullshit

Blah, blah, blah, blah  
Feels so good to be alive  
Blah, blah, blah, blah  
My life was easier at five  
Blah, blah, blah, blah  
Feels so good to be alive  
Blah, blah, blah, blah  
As for me i will get by  
Blah blah blah  
As for me i will survive  
What was i thinking  
What was i thinking  
What was i thinking

What was i thinking

Growing up (what was i thinking)  
Is getting old (what was i thinking)  
Growing up (what was i thinking)  
Is getting up (what was i thinking)  
Thinking
