this is a song off our live record

>>start song

i believe everyday should be treated with the taste of
sunshine
and i believe every minute should be giving somethign
back
and if i believe in the whole wifes world redemption
then if i believe then my ways will very simple crash

dear mother can we help but just who i am
dear mother can not help just who i cant be
dear mother can we help where stupid men hope i can
change myself

whatever i said
yah i know i cant
cause im your best friend
strate thru my hands
whatever i said
yah i know i can't
things moving faster

dear mother can not help just who i am
dear mother can not help but just who i cant be
dear mother can we help where stupid man hope i can
change myself

react, react, react, react, react, react, react, react
change myself (Double D sings this line)
react, react, react, react
change myself (Double D sings this line)
react, react, react, react

whats up you people
all right this is, this is the most techniceal part of this
set
ok
this is the most complicated
i mean we have been playing for a long time

and we were this part out
its a really complicated thing going on here, ok
this is our biggest musical endeavor ever

>>One Chord starts 5:34

you see the name of this song
its called one chord and theres one chord in it
yah the name of this song
its called one chord and theres one chord in it
and we don't have to change
we dont have to change
we wil never change
we will never fucking change
because the name of this song is called one chord and
there is one chord in it

>>One Chord ends 6:35

>>songs over

we gotta a couple more songs left
ohh by the way
please buy our shit
we got plenty of chicken shit
chicken shit is upstairs
its cheap cheap cheap cheap
