Well, I'm in love

Is that a crime?

Never, never, never would I ever want to see you cry

Well, help me up

Don't break me down

Can't make up my mind, my head's spinnin' round and round

Bang, bang, I'll steal for your love

I'll be the outlaw and we'll ride along the sun

Bang, bang, I'll steal for your love

And I'm ready, my six gun at my side

Stickin' by my gun

Well, you're too young

(I need love)

And so divine

(I need love)

Never, never, never would I want you off the hook like mine

I've gotta go

(I need love)

It's such a shame

(I need love)

You just don't know how much I hate to walk away

(Don't hold your breath! )

Bang, bang, I'll steal for your love

I'll be the outlaw and we'll ride along the sun

Bang, bang, I'll steal for your love

And I'm ready, with my six gun at my side

(Whoo! )

Stickin' by my gun

Stick it!

How do you do?

You know I hate to say goodbye

I'd like to stay but I'm about to lose my mind

You're just too young and I don't want to lead you stray

If I could, you know I would, so I'll turn and walk away

Bang, bang, I'll steal for your love  
I'll be the outlaw and we'll ride along the sun  
Bang, bang, I'll steal for your love  
And I'm ready, with my six gun at my side  
Stickin' by my guns  
Stickin' by my guns  
Stickin' by my guns  
Stickin' by my guns
