Visit "[The Pressure's On \(Stop The Clock\)](#)" on [MotoLyrics.com](http://MotoLyrics.com)

I guess the worst is yet to come  
Cuz it's not over  
I know it's all been said and done  
It's still not over

I can't sleep cuz the pressure's on  
I can't think, the pressure's on  
I can't breathe cuz the pressure's on  
No time, no time

You gave it everything you had  
Your heart and soul, boy  
It's much too late for sorrow now  
You dug your hole, boy

I can't sleep cuz the pressure's on  
I can't think, the pressure's on  
I can't breathe cuz the pressure's on  
No time...

Stop the clock, I'm running out of time  
Stop the clock, I'm running out of time  
Stop the clock, I'm running out of time  
Runnin' out of time, running out of time

Stop the clock, I'm running out of time  
Stop the clock, I'm running out of time  
Stop the clock, I'm runnin' out of time  
Running out of time, running out of time  
Runnin' out of time, running out of time  
Runnin' out of

I can't sleep cuz the pressure's on  
I can't think, the pressure's on  
I can't breathe cuz the pressure's on  
No time, no time

I can't sleep, the pressure's on  
(10, 9, 8)  
I can't think, the pressure's on  
(7, 6, 5, 4)  
I can't breathe, the pressure's on

(3, 2, 1, No! )

Stop the clock, I'm running out of time  
Stop the clock, I'm running out of time  
Stop the clock, I'm running out of time
