He grew up in the shadows like a bird with a broken wing  
Gettin' one bad break after another so he threw up on the rim  
He's been in and out of cages cuz he took what he never had  
It's just another story of a good kid goin' bad

He's a trouble, trouble, trouble maker  
Street boy livin' on the edge of right and wrong  
He's a trouble, trouble, trouble maker  
He's got one eye lookin' over his shoulder, one eye on the road

Yeah, mamma was fond of the bottle and the old man overindulged  
That's when he started walkin' the hard road, when life got harder at home  
Now Danny's just confused about the love he never had  
No one ever...

He's a trouble, trouble, trouble maker  
Street boy livin' on the edge of right and wrong  
He's a trouble, trouble, trouble maker  
He's got one eye lookin' over his shoulder, one eye on the road

It's too, too sad  
It's too, too bad  
He's had every chance taken away  
He's just a good boy goin' bad

He's a trouble, trouble, trouble maker  
Street boy livin' on the edge of right and wrong  
He's a trouble, trouble, trouble maker  
He's got one eye lookin' over his shoulder, one eye on the road

Trouble, trouble, trouble maker  
Street boy livin' on the edge of right and wrong  
He's a trouble, trouble, trouble maker  
He's got one eye lookin' over his shoulder, one eye on

the road  
He's a trouble, trouble maker
