Lock the door  
Shut the window tight  
I close the curtains  
Just got to block out the light

I feel the sun  
Shining in my eyes  
I'm just trying to cover up a little bit of daylight

Hide my face  
I don't want to be seen  
Is there somebody out there  
Am I awake or asleep  
I feel the sun shining in my eyes  
I'm just trying to cover up a little bit of daylight

I suppose I should get out of bed  
Not sleep all day  
I should get up  
Get out of the house  
But not till the end of day

Little bit of daylight  
Little bit of daylight  
Little bit of daylight  
Little bit of daylight

Well I'm just trying to cover up a little bit of daylight  
Yes I am  
Well I'm just trying to cover up a little bit of daylight  
Yes I am.

I've got to cover up  
Hide a little daylight  
Stay out all night and all
