CHORUS:

I gotcha

Aha-ha you thought you got away from me didn't ya

Aha-ha you thought I didn't see you now didn't ya (who me)

Aha-ha you tried to sneak away from me didn't ya

Aha-ha you thought ya being' slick now didn't ya

(Ha Ha Ha) Aha-ha now give me what you promised me

Give it up c'mon I gotcha gotcha hey alright

Well you promised me today that you'd quit your boyfriend

I'd be the next one to ease on in

You promised me it'd be just us two yeah

I'd be the only man kissin' on you listen

Now kiss me hold it a long time

Hold it don't turn me loose now

Hold it a little bit longer now

Hold it c'mon hold it c'mon hold it c'mon hold it c'mon

hold it c'mon

Give me what you promised now give it up ooh huh ooh

Yeah yeah I gotcha

You made me a promise and you better stick to it

You shouldn't have promised if you wasn't gonna do it

You saw me and ran in another direction

I'll teach you to play with my affection

Now here you never should have promised me

Give it here (no) don't hold back now

Give it here don't say nothing just

Give it here c'mon give it here c'mon give it here c'mon

Give it here c'mon wo wo now I gotcha oh huh

Alright now

(CHORUS)

I gotcha huh

Ha ha ha alright (ah-ha) hey

I gotcha don't run away now

Ha ha

Don't hold back now (ah-ha)

Well

I gotcha a little bit more

I gotcha a little bit longer

I gotcha a little bit more

I gotcha  
I gotcha a little bit longer  
I gotcha a little bit more now  
You couldn't sneak away and  
I'm gonna get to ya  
(REPEAT AD LIB TO FADE)
