Somebody told me you were leavin'
I didn't know
Somebody told me you're unhappy
But it doesn't show
Somebody told me that you don't want me no more
So you're walkin' out the door
Nobody told me you've been cryin'
Every night
Nobody told me you'd been dyin'
But didn't want to fight
Nobody told me that you fell out of love from me
So I'm settin' you free

[Ref:]

Let me be the one to break it up
So you won't have to make excuses
We don't need to find a set up where
Someone wins and someone loses
We just have to say our love was true
But has now become a lie
So I'm tellin' you I love you one last time
And goodbye
Somebody told me you still loved me
Don't know why
Nobody told me that you only
Needed time to fly
Somebody told me that you want to come back when
Our love is real again

Let me be the one to break it up
So you won't have to make excuses
We don't need to find a set up where
Someone wins and someone loses
We just have to say our love was true
But has now become a lie
So I'm tellin' you I love you one last time
And goodbye

[Bridge:]

Just turn around and walk away
You don't have to live like this
But if you love me still then stay
Don't keep me waiting for that final kiss
We can work together through this test
Or we can work through it apart
I just need to get this off my chest
That you will always have my heart

Let me be the one
