Take my hand
We'll walk awhile, we'll talk a while
Feel my love, always there beside you
Be the one, I know you'll tell me everything
You are the one, I cherish more than everything
I love you more than you'll ever know
I love you more than you'll ever see
More than my heart could ever show
I'll love you more than you'll ever know

Think of me
And know that I'll believe in you
There'll always be, this precious time together
With every tear, a love so strong
No words can say, a love to last forever
I love you more than you'll ever know
I love you more than you'll ever see
More than my heart could ever show
I love you more than you'll ever know

Take my hand
We'll walk awhile, we'll talk awhile
Feel my love, always there beside you
Be the one, I know you'll tell me everything
You are the one I cherish more than anything
I love you more than you'll ever know
I love you more than you'll ever see
More than my heart could ever show
I love you more than you'll ever know
Ooooohhh...
