Smart woman (in a real short skirt)

By: jimmy buffett, marshall chapman

1988

This song is about being in my 40's in the 80's. it seems i'm learning more than i'm forgetting.

-- spoken:

"so i told her, ooh you got money of your own? well, that gives me the urge to merge."

Bimbo limbo is where i've been

I know you know that it's wearing me thin

The times are changing, and it's about time

I'm rearrangin' all the guilt in my mind

Chorus:

I'm looking for a smart woman in a real short skirt

Smart woman who knows how to flirt

Smart woman got a mind of her own

Smart woman that'll take me home

Take me home

I'm not your macho kind of guy

But i can be so when i'm feeling shy

Hey, baby, where'd you get your good looks

Ooh, babe, i want to carry your books

Chorus:

I'm looking for a smart woman in a real short skirt

Smart woman who knows how to flirt

Smart woman got a mind of her own

Smart woman that'll take me home

Take me home

Beauty and brains (beauty and brains)

Best of both worlds (best of both worlds)

Think i can change (think i can change)

If you'll be my, be my, be my girl

Chorus:

I'm looking for a smart woman in a real short skirt

Smart woman who knows how to flirt

Smart woman got a mind of her own
Smart woman that'll take me home
Take me home

Chorus:

I'm looking for a smart woman in a real short skirt
Smart woman who knows how to flirt
Smart woman got a mind of her own
Smart woman better take me home
Take me home
