You walked in my life
The day you smiled
How could I have known
The hunger like desire

We could start a fire
But we can't control that flame
Now I just can't wait
To feel the heat again

And in the middle of the night
You cry

Too much ain't enough
Love to satisfy me
Too much ain't enough
Love to satisfy me

Well, it just seems like yesterday
I was running alone
I turned my back on love
Baby, I was wrong

Do I miss your touch
Do I tell myself a lie
I can't get enough
When I'm lying by your side

And in the middle of the night
I cry

Too much ain't enough
Love to satisfy me
Too much ain't enough
Love to satisfy me
(Ain't enough) hey, hey

Too much ain't enough
Love to satisfy me
(To satisfy me)
Too much ain't enough
Love to satisfy me

(Ain't enough, no)

Too much ain't enough
Love to satisfy me...
