I am a lineman for the county  
And I drive the main road  
Searching in the sun  
For another overload  
I hear you singing in the wires  
I can hear you through the whine  
And the Wichita lineman  
Is still on the line

I know I need a small vacation  
But it don't look like rain  
And if it snows  
That stretch down south  
Won't ever stand the strain

And I need you more than want you  
And I want you for all time  
And the Wichita lineman  
Is still on the line

And I need you more than want you  
And I want you for all time  
And the Wichita lineman  
Is still on the line
