She's always on my mind
By the time i wake up 'til i close my eyes
She's everywhere i go, she's all i know
Though she's so far away
It just keeps getting stronger every day
So tell me where do i stop cause it's breaking my heart
Don't want to let her go

[chorus]
Maybe my love will come back someday
Only heaven knows
Maybe our hearts will find their way
And only heaven knows
And all i can do is hope and pray
'Cause heaven knows

My friends keep telling me
That if you really love her, you've gotta set her free
If she returns in kind
I know she's mine
But tell me where do i start
'Cause it's breaking my heart
Don't want to let her go

[chorus]
Maybe my love will come back someday
Only heaven knows
Maybe our hearts will find their way
And only heaven knows
And all i can do is hope and pray
'Cause heaven knows

Why i live in despair
Cause why do we go dreaming
I know she's never there
And all the time i act so brave, i'm shaking inside
Why does it hurt me so

[chorus]
Maybe my love will come back someday
Only heaven knows

Maybe our hearts will find their way
But only heaven knows
And all i can do, is hope and pray
'Cause heaven knows.....

Heaven knows.....
