By, by, by the light
Of the silvery moon
I want to croon
With my baby, I'll croon
Love's old sweet tune

Honeymoon
Keep on shining in June
Love's silvery beams
Will bring love's dreams
We'll be cuddling soon
By the silvery moon

By, by, by the light
Of the silvery moon
I want to croon
With my honey, I'll croon
Love's old sweet tune

Honeymoon
Keep on shining in June
Love's silvery beams
Will bring love's dreams
We'll be cuddling soon
By the silvery moon
