Warm up to me, baby
Warm up
Come close to me, baby
Come close and make
My dreams come true

Stay near to me, baby
Stay near, be good
To me, baby, be good
I'll give my love to you

Why must you keep running around
Can't you stick with me
All my life and love is yours
Come on

Warm up to me, baby, it's time
Now say to me, baby, you're mine
And I'll warm up to you

Warm up to me, baby
Warm up
Come close to me, baby
Come close and make
My dreams come true

Stay near to me, baby
Stay near, be good
To me, baby, be good
I'll give my love to you

Why must you keep running around
Can't you stick with me
All my life and love is yours
Come on

Warm up to me, baby, it's time
Now say to me, baby, you're mine
And I'll warm up to you
And I'll warm up to you
Honey, I'll warm up to you
