I said na na na na ...
You gotta know how to pony
Like Bonie Maronie
You gotta know how to twist
I said, it just like this

I said mashed potato
Do the alligator
I said, Billy, get your yo-yo
Come on and let's go

I said clap your hands (come on)
I said clap your hands (come on)
And then move your feet (come on)
Get into that beat (come on)

I said na na na na...

Everybody, come on now
Na na na na...
Yes, a one more time
Na na na na...

You gotta know how to jerk (oh, yeah)
Come on, baby, work
You gotta know how to jangle
Make you do the tango

I said, do the Watusi
Coeme on and do the Watusi

Ooh, ooh, ooh...
Ooo ooh ooh

I said, goodbye Lucy
I said, goodbye child
I said, wa-watusi...
