Mayan moon was burnin'
We saw visions of the past returnin'
On the shore the band was playin'
We all heard what the moon was sayin'

The world keeps closin' in
It has before, it will again
A voice beyond the wind
Says we must go beyond the end
So follow beyond the end

A sea of friends are singin'
"Vaya con dios, mis amigos"
We take their hopes and feelin's
To some new world we'll be revealin'

Old worlds keep closin' in
They have before, they will again
Voices call beyond the wind
Say we must go beyond the end
And follow beyond the end

Old worlds keep closin' in
They have before, they will again
Voices call beyond the wind
Say we must go beyond the end

Old worlds
(Old worlds)
Keep closin' in
(Keep closin' in)
They have before
(They have before)
They will again

Voices call
(Voices call)
Beyond the wind
Say we must go
(Say we must go)
Beyond the end
(Beyond the end)

And follow beyond the end

Old worlds
(Old worlds)
Keep closin' in
(Keep closin' in)
They have before
They will again
(Oh, they will again)

Voices call
(Voices call)
Beyond the wind
(Beyond the wind)
Say we must go
(Say)
Beyond the end

Old worlds
(Old worlds)
Keep closin' in
(Keep closin' in)
They have before
They will again
(They will again)

Voices call
(Voices call)
Beyond the wind
(Beyond the wind)
Say we must go
(Say we must go)
Beyond the end
(Beyond the end)

Old worlds keep closin' in
(Keep closin' in)
They have before
(They have before)
They will again
(They will again)

Voices call
(Voices call)
Beyond the wind
(Beyond the wind)
Say we must go
(Say we must go)
Beyond the end
