Bigger than the both of us

By: rhonda coulet

1984

The moon's smilin' over my shoulder

I know these same stars will shine when I'm older

So I'm keepin' heaven on my mind

'cause a good love is so hard to find

Chorus:

And it's bigger than the both of us

Deeper than the sea

Tossin' on the water ridin' destiny

Bigger than the both of us

Farther than the eye can see

We're dancin', our souls are dancin'

Infinity

You know there's a million ways to fail

But I know this isn't just a fairy tale

It's a one in a million paradise

I know love is the light in your eyes

Chorus:

And it's bigger than the both of us

Deeper than the sea

Tossin' on the water ridin' destiny

Bigger than the both of us

Farther than the eye can see

We're dancin', our souls are dancin'

Infinity

Chorus:

And it's bigger than the both of us

Deeper than the sea

Tossin' on the water ridin' destiny

Bigger than the both of us

Farther than the eye can see

We're dancin', our souls are dancin'

Infinity

Bigger than the both of us

Our souls are dancin'
Bigger than the both of us
Our souls are dancin'
