Down around Biloxi
Pretty girls are dancing in the sea
They all look like sisters in the ocean
The boy will fill his pale with salty water
And the storms will blow from off towards New Orleans

Sun shines on Biloxi
Air is filled with vapors from the sea
Boy will dig a pool beside the ocean
He sees creatures from his dreams underwater
And the sun was set from off towards New Orleans

Stars can see Biloxi
Stars can find their faces in the sea
We are walking down beside the ocean
We are splashing naked in the water
And the sky is red from off towards New Orleans
And the sky is red from off towards New Orleans

Down around Biloxi
Pretty girls are swimming in the sea
They all look like sisters in the ocean
Boy will fill his pale with salty water
And the storms will blow from off towards New Orleans
