Burn that bridge

By: jimmy buffett, michael utley, will jennings

1984

I'm not sayin' I'm scared'a you

But your kinda love is somethin' new

When I hold you we're swayin' in the wind

Of all the bridges I've ever crossed

High and lonesome and wild and lost

I feel this time I'll take it to the end

We don't care what the people may say

If there's a price it's the price we'll pay

Chorus:

And we'll burn that bridge when we come to it

Burn that bridge when we come to it

Burn that bridge when we come to

Burn it down

Burn it down

We both done our share of runnin' around

So we know enough to know the kind of love we've  
found

It's the real thing and we've got to see it through

I'm a singer and a sailor on a midnight sea

(oh captain come and take me on your fantasy)

If we're crazy that ain't nothin' new

'cause we don't care what the people may say

If there's a price it's the price we'll pay

Chorus:

And we'll burn that bridge when we come to it

Burn that bridge when we come to it

Burn that bridge when we come to

Burn it down

Burn it down

Who knows how it started

Who knows it end

The point of no return is waiting

Just around the bend

Chorus:

And we'll burn that bridge when we come to it  
Burn that bridge when we come to it  
Burn that bridge when we come to  
Burn it down  
Burn it down

Chorus:

Yes we'll burn that bridge when we come to it  
Burn that bridge when we come to it  
Burn that bridge when we come to  
Burn it down  
Burn it down  
Burn it down  
Burn it down  
Burn it down  
Burn it down  
Burn it down
