Carnival world

By: jimmy buffett, roger guth, jay oliver

1989

My father always said that there's no free ride

Youve got to make a sacrifice

So many prophets on the lords side

Even your soul has got a price

But talk is cheap

It takes money to buy your freedom

And the tax mans knockin on your door

Chorus:

Spend it while you can

Moneys contraband

You can't take it with you when you go

Spend it while you can

Before it's taken from your hand

There's no free ride in this carnival world

There's no free ride in this carnival world

Too many hawkers on this travelin show

Everybodys got somethin to sell

Bootleg swatches, cardboard gucci gear

Watch your step at the wishing well

But talk is cheap

It takes money to buy your freedom

And the tax mans knockin on your door

Chorus:

Spend it while you can

Moneys contraband

You can't take it with you when you go

Spend it while you can

Fore it's taken from your hand

There's no free ride in this carnival world

There's no free ride in this carnival world

What's mine is mine

If it's only one thin dime

My cash was always meant to flow

Chorus:

Spend it while you can

Moneys contraband

You can't take it with you when you go

Spend it while you can

Before it's taken from your hand

There's no free ride in this carnival world

There's no free ride in this carnival world

There's no free ride in this carnival world

There's no free ride

There's no free ride

There's no free ride
