"Don't Bug Me"

by Jimmy Buffett, Michael Utley, and Jay Oliver

Don't bug me
Don't mug me
I'm better left alone
Let me twirl
In my world
Out in the wild unknown
Night crawlin'
Free fallin'
Just don't get in my way
Don't squish me
Or death wish me
That's all I have to say
I can spin a web
I can spin a tale
Leave me in the jungle
Take me to the town
Right side up or upside down
I'm fakey (?)
Real flakey
Eight legs and one pea brain
So don't bug me
Don't mug me
Just try and act humane
I can cover tracks
And never leave a trail
Leave me in the jungle
Take me to the town
Right side up or upside down
Don't bug me
Don't mug me
I'm better left alone
Let me twirl
In my world
Out in the wild unknown
Don't bug me

Don't mug me
That's all I have to say

Arachnophobia Sdtk.
