Frank and lola

By: jimmy buffett, steve goodman

1982

"lucy and ricky, fred and ethel, laurel and hardy,
spanky

And buckwheat, rocky and bullwinkle, and frank and
lola...

They're all good for a laugh."

Lola loves frank, frankie loves lola

On their second honeymoon in pensacola

Tryin' to find a little privacy

Oh me there been too much screamin', fussin' and
fightin'

The doggies were yellin', the children were bitin'

Frank and lola tryin' to get together again

So he took her to this movie called "body heat"

She said the junior mints were mushy and the sex was
neat

Oh my, frankie weren't we better than that, before our
spat

Frank told lola, honey can't you see

That I'll jump start you if you'll kick start me

Frank and lola tryin' to get together again

So they strolled along the highway, they walked along
the beach

They stopped at several raw bars where they slurped a
dozen each

Bought a bunch of popcorn from the fat man on the
dock

Baby turn back the pages, turn 'round the clock

Lola told frankie time we put it to the test

After frankie told lola she was still the best

They fell asleep in the sand underneath the florida
moon, in june

Lola counted rainbows, frankie counted sheep

'til they almost got run over by the lifeguard's jeep

Frank and lola tryin' to get together again

Go, frank, go
Lo la, lo
Go, frank, go, wow

(instrumental)

So they strolled along the highway, they walked along
the beach
Stopped at several raw bars where they slurped a
dozen each
Bought a bunch of popcorn from the fat man on the
dock
Baby turn back the pages, turn 'round the clock

Lola loves frank, frankie loves lola
On their second honeymoon in pensacola
Tryin' to find a little priva-
Tryin' to find a little priva-
Tryin' to find a little privacy

Go, frank, go
Lo la, lo
Go, mango

- notes:
Featuring the harmonica of "fingers" taylor
