Fruitcakes

By: jimmy buffett, amy lee

1994

--spoken:

"you know I was talking to my friend desdemona the other day she

Runs this space station and bake shop down near boomtown. she told

Me that human beings are flawed individuals. the cosmic bakers

Took us out of the oven a little too early. and that's the Reason we're as crazy as we are and I believe it."

"take for example when you go to the movies these days, you know.

They try to sell you this jumbo drink, 8 extra ounces of watered

Down cherry coke for an extra 25 cents. I don't want it.

I don't want that much organization in my life.

I don't want other people thinking for me.

I want my junior mints. where did the junior mints go in the

Movies. I don't want a 12 lb. nestle's crunch for 25 dollars. i

Want junior mints."

"we need more fruitcakes in this world and less bakers!

We need people that care! I'm mad as hell! and I don't want to

Take it anymore!"

Chorus:

Fruitcakes in the kitchen (fruitcakes in the kitchen)

Fruitcakes on the street (fruitcakes on the street)

Struttin' naked through the crosswalk

In the middle of the week

Half-baked cookies in the oven (cookies in the oven)

Half-baked people on the bus (people on the bus)

There's a little bit of fruitcake left in everyone of us

Paradise, lost and found

Paradise, take a look around
I was out in california where I hear they have it all
They got riots, fires, mud slides
They've got sushi in the mall
Water bars, brontasaurs, chinese modern lust
Shake and bake life with the quake
The secret's in the crust

Chorus:

Fruitcakes in the kitchen (fruitcakes in the kitchen)
Fruitcakes on the street (fruitcakes on the street)
Struttin' naked through the crosswalk
In the middle of the week
Half-baked cookies in the oven (cookies in the oven)
Half-baked people on the bus (people on the bus)
There's a little bit of fruitcake left in everyone of us

--spoken:

"speakin' of fruitcakes, how 'bout the government?
Your tax dollars at work."

We lost our martian rocket ship
The high paid spokesman said
Looks like that silly rocket ship
Has lost it's cone shaped head
We spent 90 jillion dollars trying to get a look at mars
I hear universal laughter ringing out among the stars

Chorus:

Fruitcakes in the galaxy (fruitcakes in the galaxy)
Fuitcakes on the earth (fruitcakes on the earth)
Struttin' naked towards eternity
We've been that way since birth
Half-baked cookies in the oven (cookies in the oven)
Half-baked people on the bus (people on the bus)
There's a little bit of fruitcake left in everyone of us

--spoken:

"religion! religion! oh, there's a thin line between
saturday
Night and sunday morning. here we go now.

Alright, alter boys."

Mea culpa mea culpa mea maxima culpa
Mea culpa mea culpa mea maxima culpa

Where's the church, who took the steeple
Religion is in the hands of some crazy-ass people
Television preachers with bad hair and dimples
The god's honest truth is it's not that simple

It's the buddhist in you, it's the pagan in me
It's the muslim in him, she's catholic ain't she?
It's the born again look it's the wasp and the jew
Tell me what's goin on, I ain't gotta clue

--spoken:

"now here comes the big ones. relationships! we all got
'em, we
All want 'em. what do we do with 'em?
Here we go, I'll tell ya."

She said you gotta do your fair share
Now cough up half the rent
I treat my body like a temple
You treat yours like a tent
But the right word at the right time
May get me a little hug
That's the difference between lightning
And a harmless lightnin' bug

Chorus:

Fruitcakes in the kitchen (fruitcakes in the kitchen)
Fruitcakes on the street (fruitcakes on the street)
Struttin' naked through the crosswalk
In the middle of the week
Half-baked cookies in the oven (cookies in the oven)
Half-baked people on the bus (people on the bus)
There's a little bit of fruitcake left in everyone of us

--spoken:

"the future. captain's log, stardate two thousand and
something."

We're seven years from the millenium
That's a science fiction fact
Stanley kubrick and his buddy hal
Now don't look that abstract
So I'll put on my bob marley tape
And practice what I preach
Get jah lost in the reggae mon
As I walk along the beach
Stay in touch with my insanity really is the only way
Its a jungle out there kiddies
Have a very fruitful day
Hey.

Chorus:

Fruitcakes in the kitchen (fruitcakes in the kitchen)
Fruitcakes on the street (fruitcakes on the street)
Struttin' naked through the crosswalk
In the middle of the week

Half-baked cookies in the oven (cookies in the oven)
Half-baked people on the bus (people on the bus)
There's a little bit of fruitcake left in everyone of us

--spoken:

"that's right, you too. yeah those crumbs are spread all
around

This universe. I've seen fruitcakes. I saw this guy in
santa

Monica rollerskate naked through the crosswalk. down
in new

Orleans in the french market there are fruitcakes like
you cannot

Believe. new york, forget it. fruitcake city. down island,
we've got

Fruitcakes. spread them crumbs around. that's right,
we want

'em around. keep bakin' baby. keep bakin'."
