grapefruit.my bathing suit.
chew a little juicy fruit.
wash away the night.
driving. you guzzle gin.
Commit a little mortal sin
it's good for the soul.

you know it getz so damn lonely.
when you're on a plane alone.
and if i had the money, honey
id strap you in beside me.
and never ever leave you
leave you at home all alone and cryin'.

10 speed. but no need.
my pick up getz me where i please.
chuggin down the stream.
but i'll be leavin'
in a little while
so close your eyez now.
ill be back real soon.

[aww take it reeferz..
ladies choice.. everybody now here we go..]

yes and if i had that money honey
id strap u in beside me [in the strapless]
and never ever leave you.
leave at home all alone and cryin'

grapefruit. my bathing suit
chew a little juicy fruit
and wash away the night
yea you chew a little juicy fruit
itz good for ya soul
