Apple fall out of the tree and hit the ground  
Pretty soon we realize we're Earthly bound  
Babies fall and babies cry in early years  
Mamas dust them off and wipe away their tears

Oh, watch out for that gravity storm  
It don't give no warnin' signs  
Oh, watch out for that gravity storm  
Oh, oh

All your life you have to deal with ups and downs  
So listen to your heartstrings as they make the sounds  
Don't forget to listen to that steady beat  
Don't forget to balance on your ready feet

Oh, watch out for that gravity storm  
It don't give no warnin' signs  
Oh, watch out for that gravity storm  
Oh, oh

I will keep you warm  
Shelter in the storm all your life  
I will keep you warm  
Shelter from the storm all your life

Apple fall out of the tree and hit the ground  
Pretty soon we realize we're Earthly bound  
Babies fall and babies cry in early years  
Mamas dust them off and wipe away their tears

Oh, watch out for that gravity storm  
It don't give no warnin' signs  
Oh, watch out for that gravity storm  
Oh, oh

Oh, watch out for that gravity storm  
It don't give no warnin' signs  
Oh, watch out for that gravity storm  
Oh, oh

All your life
