And so this is Xmas
And what have you done?
Another year older
A new one just begun

And so this is Xmas
I hope you have fun
The near and the dear ones
The old and the young

A merry, merry Xmas
And a happy new year
Let's hope it's a good one
Without any fears

And so this is Xmas
For weak and for strong
The rich and the poor ones
The road is so long

So, happy Xmas
For black and for white
The yellow and red ones
And stop all the fights

A merry, merry Xmas
And a happy new year
Let's hope it's a good one
Without any fears

And so, this is Xmas
And what have we done?
Another year older
A new one just begun

So, happy Xmas
I hope you have fun
The near and the dear ones
The old and the young

A merry, merry Xmas
And a happy new year

Let's hope it's a good one
Without any fears

So, this is Xmas
And what have we done?
Another year older
A new one just begun

And so, happy Xmas
We hope you have fun
The near and the dear ones
The old and the young

A merry, merry Xmas
And a happy new year
Let's hope it's a good one
Without any fears
