Hey, hey, good lookin', whatcha got cookin'?

How's about cookin' something up with me?

Hey, hey, sweet baby, don't you think maybe,

We could find us a brand new recipe.

I got a hot rod Ford and a two dollar bill,

An' I know a spot right over the hill.

There's soda pop and the dancin's free:

If you wanna have fun come along with me.

Hey, good lookin', whatcha got cookin'?

How's about cookin' somethin' up with me?

(Let's stir it up boys.)

Instrumental Break.

I'm free and I'm ready, maybe we can go steady.

How's about savin' all your time for me?

No more lookin', I know I've been took in:

How's about keepin' steady company?

Well, I'm gonna throw my date book over the fence,

An' find me one for five or ten cents.

I'll keep it 'til it's covered with age,

'Cause I'm writin' your name down on ev'ry page.

Hey, hey, good lookin', whatcha got cookin'?

How's about cookin' somethin' up with me?

How's about cookin' somethin' up with me?

How's about cookin' somethin' up with me?

Instrumental fade out.
