I've got a question for you please grant me an  
interview

Don't want to read it in a magazine  
Don't want to see it on the silver screen  
Don't let the craziness tear us apart

I'm down on the knees of my heart  
Down here on the knees of my heart

This comes from deep in my soul your sweet love has  
taken control

I'll swim across the ocean if you tell me so  
I'll take you to the jump up if you want to go  
It's nevery too late to make a brand new start

I'm down here on the knees of my heart  
Down here on the knees of my heart

How I will sing  
If you give me everything  
I live for the day  
When there's nothing in our way

I will be waiting tonight you'll find my boat by the light  
I'm gonna show you what my love can do  
Out on the ocean all alone with you  
We'll find a desert island on an ancient chart

Take me from the knees of my heart  
Take me from the knees of my heart  
Take me from the knees of my heart  
Take me from the knees of my heart

Take me from the knees of my heart  
Take me from the knees of my heart  
Please take me from the knees of my heart  
Take me from the knees of my heart
