I really do
Appriciate
The fact you're
Sitting here
Your voice sounds
So wonderful
But your face don't
Look to clear

So barmaid bring a pitcher
Another round of brew
Honey why don't we get drunk and screw

Why don't we get drunk and screw
I just bought
A waterbed
It's filled up for me and you

They said are a snub queen
Honey I don't think that's true
So why don't we get drunk and screw

Pick it Coral Reefer's, here we go

(Solo music break)

Why don't we get drunk and screw
I just bought a waterbed
It's filled up for me and you

They said are a snub queen
Honey I don't think that's true
So why don't we get drunk and screw

Yah now baby

Why dont we get drunk and screw
