My barracuda

By: jimmy buffett, michael utley, russell kunkel, steve cropper

1988

Beauty is always in the eye of the beholder. a sleeping bag under a bridge by a canal is still waterfront property.

Barracuda...

Well I saw this couple  
Just the other day  
Livin' under a bridge  
In a homeless way  
Like a million others  
Without any plan  
Livin' day to day  
In the promised land  
In this unforgivin' world there ain't no doubt  
It'll chew you up and it'll spit you out  
She calls him barracuda  
My barracuda

She used to work in the circus  
A real high-wire act  
He was a lion tamer  
Up until the attack  
He came without instructions then he came unglued  
And now he's just a monster in a human suit  
She calls him barracuda

My barracuda

She still can't figure out what she's doin' down there  
And she don't know if he loves her or not  
He may be a barracuda  
But he's the only lover she's got (oh-oooo)  
Barracuda

(guitar solo)

She still can't figure out what she's doin' down there  
And she don't know if he loves her or not

He may be a barracuda  
But he's the only lover she's got (oh-oooo)  
Barracuda, yeah

My barracuda  
Not too many fish in the sea (barracuda)  
Just my barracuda and me (my barracuda)  
Swimmin' around (barracuda)  
Check out the town (my barracuda)  
He's such a barracuda, ooh, yeah (barracuda, yeah)
