Richard frost  
By: jimmy buffett

Richard frost left alabama heading west to find his  
fame  
Only got to oklahoma and that's where he changed his  
name  
Now he plays a little tavern all the drunks say he's a  
star  
Hollywood forgot his number now he's stuck in kelly's  
bar

But is he happy my friend  
Or does he pretend?  
Is every song a routine chore?  
Well he every decide  
To go and not hide  
Behind his fear and kelly's backstage door

Richard frost draws 90 people and on weekends lines  
grow long  
Singing loud and laughing with them the crowd reacts  
to every song  
Bigger worlds ( ? ) can't help but make you more aware  
of what you see  
Afraid of what's beyond just eyesight keeps the worlds  
in harmony
