Silver wings shinin' in the sunlight
Roarin' engines headed somewhere in flight
They're takin' you away, leaving me lonely
Silver wings slowly fadin' out of sight

Don't leave me, I'll cry
Don't take that airplane ride
But you locked me out of your mind
Left me standin' here behind

Silver wings shinin' in the sunlight
Roarin' engines headed somewhere in flight
They're takin' you away, leaving me lonely
Silver wings slowly fadin' out of sight

Don't leave me, I'll cry
Don't take that airplane ride
But you locked me out of your mind
Left me standin' here behind

Silver wings shinin' in the sunlight
Roarin' engines headed somewhere in flight
They're takin' you away, leaving me lonely
Silver wings slowly fadin' out of sight
Silver wings slowly fadin' out of sight
