For all the crooners and swooners wherever they may
be

Moonlight and magnolias, starlight in your hair

All the world a dream come true

Did it really happen, was I really there

Was I really there with you

We lived our little drama, we kissed in a field of white

And stars fell on alabama that night

I can't forget the glamour, your eyes held a tender light

And stars fell on alabama last night

Chorus:

I never planned in my imagination, a situation so
heavenly

A fairy land that no one else could enter

And in the center, just you and me, dear

My heart beat like a hammer, my arms wound around
you tight

And stars fell on alabama last night

--spoken:

Alright, lets take it on down from muscle shoals
through decatur

Mmmm, birmingham, ooh montgomery

Right up over spanish fort into mobile, my hometown

Mister t...

(harmonica solo)

Chorus:

I never planned in my imagination, a situation so
heavenly

A fairy land that no one else could enter

And in the center, just you and me, dear

My heart beat like a hammer, my arms wound around
you tight

Ah, stars fell on alabama last night

--spoken:

One more time boys...

Yes, we lived our little drama
We kissed on the dunes so white
And stars fell on alabama
Last night
