Henny

Hey now mine host, don't be so melancholy
You've made the most out of amy ball's folly
You went crazy, ran off with an actress and didn't get
rich
What can I say? I still love you, you son of a bitch

Norman new york's gray and cold but somehow I miss
that
Norman and
Running the gull reef club bordered on hand to hand
combat

Henny

You beat the odds, water gods now it's time for shalom
Hey mr. paperman, I think it's time to go home

Chorus

Time to go home norman
Time to go home

Norman

Hey mistuh papuh-mon
Time to go home
Chasin' illusions can get quite confusin'
Hey mr. papuh-mon time to go home

Norman

That's all I can say

Henny

Who knows this whole episode
Just might end up on broadway

Norman

To hell with bureaucracy and island mystery

Henny

Let's clear the air dear but no more affairs here
