Dead rose pedals on the bed, cheap wine, cigarettes
Tell me how did we get here, oh yeah
Police circling the block, another fight, we gotta stop
Another pillow feel your tears
What happened to us in give love,
We don't live there anymore, no
Cause we burried underneath, so far that we can't
breathe
On the staircase to the well, around at the mill, no
Cause we've given all we got
Baby I give it out my all, yeah

[Chorus]

Now we're trapped in misery, in misery,
Trapped in misery, in misery
I don't wanna, I don't wanna, I don't wanna bathe
In a ... bad track
Now we're trapped in misery, in misery,
Trapped in misery, in misery
Baby let me out, won't you let, let me go
I don't wanna live in misery

Blood stain copied in the halls, silence and get it all
Tell me why you gotta be this way?
Why you gotta be this way?
It's cold when our eagles getting bald
So sit me down, cool it off
Wanna do this another day,
What happened to us in give love,
We don't live there anymore, no
Cause we burried underneath, so far that we can't
breathe
On the staircase to the well, around at the mill, no
Cause we've given all we got
Baby I give it out my all, yeah

[Chorus]

Now we're trapped in misery, in misery,
Trapped in misery, in misery
I don't wanna, I don't wanna, I don't wanna bathe
In a ... bad track

Now we're trapped in misery, in misery,
Trapped in misery, in misery
Baby let me out, won't you let, let me go
I don't wanna live in misery

There's nothing left for me
But an empty room of love, yeah, oho
And I know you want my company
But I don't, I don't wanna, I don't wanna live in
misery!

[Chorus]
Now we're trapped in misery, in misery,
Trapped in misery, in misery
I don't wanna, I don't wanna, I don't wanna bathe
In a ... bad track
Now we're trapped in misery, in misery,
Trapped in misery, in misery
Baby let me out, won't you let, let me go
I don't wanna live in misery
