Just a Dream

Jimmy Clanton

Just a dream, just a dream..(just a dream~!)

All our plans and our all schemes (all our
schemes~!)

How could I think you'd be mine (you'd be
mine~!)

The lies I'd tell myself each time

I know that we could never last (never last~!)

We just can't seem to in the past (in the past~!)

Just a dream I dream in vain (dream in pain~!)

With you I'd only live in pain

Your picture is always with me

I can still hear that same mournful song

And now I sit here crying

Please leave me alone

Why , why do I love you (I love you~!)

How can I live in misery (misery~!)

I know that I won't forget you (forget you~!)

But now I know it's too late for me

Your picture is always with me

I can still hear that same mournful song

And now I sit here crying

Please leave me alone

Why , why do I love you (I love you~!)

How can I live in misery (misery~!)

I know that I won't forget you (forget you~!)

But now I know it's too late for me (too late~!)
