Hello sunshine
Will old darkness be my friend?
Hello sunshine
To this you can put an end
Hello sunshine
Why don't you please come around

Hey there sunshine
Don't let me down
Hey there sunshine
Please come around
Hey there sunshine
My friend

Hey, hey, hey
Hey, hey, hey
Oh yeah
Oh yeah

Hey, hey, hey
Hey, hey, hey
Oh yeah
Oh yeah

Hello dark clouds
I don't want you 'round no more
Hello tear drops
Why don't you stay from my door
Hello troubles
I can't stand your face for sure

Hey there sunshine
Don't let me down
Hey there sunshine
Please come around
Hey there sunshine
My friend

Hey, hey, hey
Hey, hey, hey
Oh yeah
Oh yeah

Hey, hey, hey
Hey, hey, hey
Oh yeah
Oh yeah

Hey, hey, hey
Hey, hey, hey
Oh yeah
Oh yeah

Hello sunshine
Will old darkness be my friend?
Hello sunshine
To this you can put an end
Hello sunshine
Why don't you please come around

Hey there sunshine
Don't let me down
Hey there sunshine
Please come around
Hey there sunshine
My friend

Hey, hey, hey
Hey, hey, hey
Oh yeah
Hello sunshine

Sunshine, I need you
Hey, hey, hey
I've gotta help you
Hello sunshine

When I'm down now
Hey, hey, hey
Said, I need you
Hello sunshine

Please come around now
Hey, hey, hey
Hello sunshine
