If I follow my mind
I'll never go wrong
I wanna sing that song
It wouldn't take so long
Never, never could do wrong
Yay, yay...
If I follow my heart
I'd live by emotions
be my every notion
never lead me astray now
each and every day now
Yay, yay...
If I follow my heart

My mind is a fine mind
My mind is a right mind
My mind is a clear mind, clear mind!
If I follow my mind!

I'll never go wrong
I wanna sing that song
It wouldn't take so long
Never, never could do wrong
Yay, yay...
If I follow my mind

My mind is a fine mind
My mind is a right mind
My mind mighty fine mind, fine mind!
If I follow my mind!

Hey, hey, hey, hey...

Ummmm....

If I follow my heart
I'd live by emotions
be my every notion
never lead me astray now
each and every day now
Yay, yay...

If I follow my mind
I'll never go wrong
I wanna sing that song
It wouldn't take so long
Never, never could do wrong
If I follow my mind now....
If I follow my mind....
If I follow my mind now....
If I follow my mind....
Never, never could do wrong
If I follow my mind....
